

Report On Taluka Level Science Quiz Competition

Goa State Council for Science & Technology
Saligao - Goa

Supported by:

**Department of Science, Technology
& Waste Management**
Porvorim - Goa

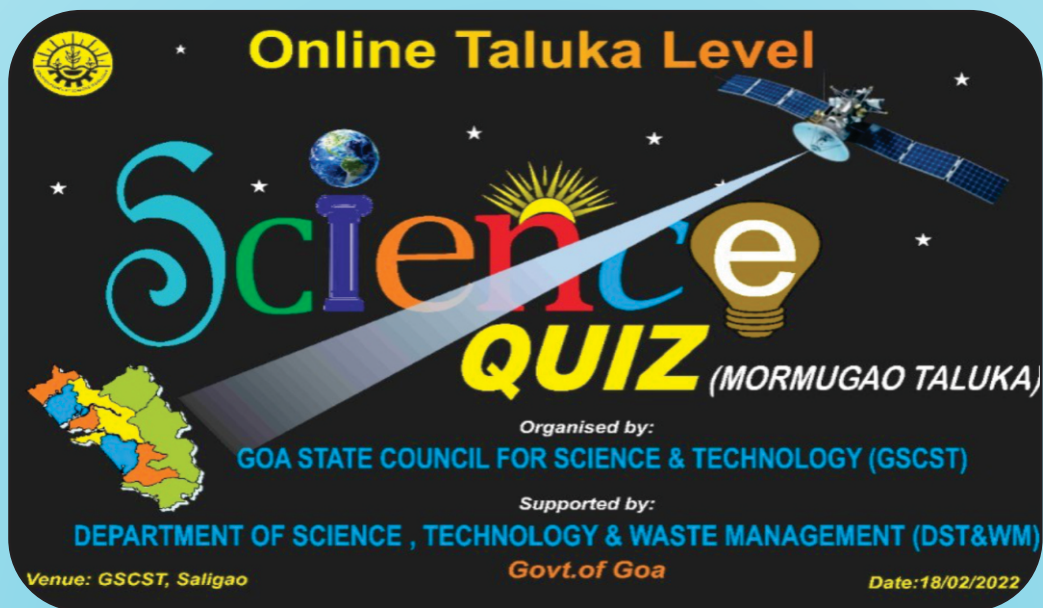

Background

Goa State Council for Science & Technology (GSCST) is the Nodal Agency to implement various Science Popularisations and Environment Awareness programmes in the State of Goa. Such as:

- * Children's Science Congress (CSC)
- * National Green Corps (NGC)
- * National Science Day & Mathematics Day (NSD & NMD)
- * Council is also organising other awareness programme like:
- * World Ozone day
- * Observance of various National and International Scientific days etc. (World Water Day, Earth Day)

The council was also involved in Rural Development programmes, through the successful implementation of various watershed projects, which emphasises issues on soil and water conservation, horticulture plantations through people's participation. Council is also undertaking resource training programme in composting and vermicomposting involving teachers, progressive farmers & SHG's functionaries.

On the occasion of Goa's 60 years of liberation and being this day is holding great significance of Goa's history and to heremark this event, the GSCST had organised the Quiz on History of Goa for the various schools of Goa State and the response was overwhelming.

Summery

A quiz is a game which can also be called a mind sport wherein the players, either as individuals or in teams attempt to answer questions posed to them correctly, in order to win a prize.

Over the years people have been fascinated by quizzes which have been broadcasted on television sets, and enjoyed by children and adults alike even today.

The said project is an attempt to creating awareness and to give opportunity for most of the school students to participate in the Quiz. This will help to find out their hidden talent and build confidence to answer the Quiz.

Considering the above, and being a important subject Taluka level online Science Quiz is proposed.

Objectives:

- ✿ To develop the spirit of participation and to encourage the students for wider reading.
- ✿ To develop the cooperation and to explore the knowledge.
- ✿ To Know about the development of science & Technology in the different fields.
- ✿ To help student to bring out their talent.
- ✿ It bring the outside world comes in the four wall of the school.

Considering the above objectives, and in order to achieve the desired goals the Goa State Council for Science and Technology, Saligao with the financial support from Department of Science, Technology and Waste Management, Government of Goa, has conducted two Online Taluka Level Science Quiz Competitions one in Mormugao taluka and other in Salcete taluka for South Goa District respectively.

Mormugao Taluka:

An online Quiz was organized by Goa State Council for Science and Technology, Saligao Bardez- Goa, for the students of IXth of various institution of Mormugao taluka. The purpose of the Quiz was to create awareness in Science and Technology and to encourage the students and also to provide platform to display their talent, achievement in the field of Science and Technology.

The topic of the Quiz was on Science and Technology. Total 17 teams with two student in each team of various institution of Mormugao taluka had registered to take part in the Online taluka Level Science Quiz Competition.

The online Quiz was conducted in two stages Preliminary round and final round. In preliminary round 20 Questions of Multiple choice was created on Google forms platform and was conducted on 25th January 2022 between 12.00 to 12.10p.m.

Based on their performance the seven best teams were shortlisted for the final round.

The final round of Quiz competition was also conducted on virtual mode on Google meet platform with three rounds held on 18th February 2022 to select the winner 1st, 2nd, 3rd and four consolation prizes.

The Heads of the institutions and guide teachers has played a major roll to motivate the students to take part in the

Quiz Competition despite of Covid pandemic conditions in the State.

The Quiz was successfully conducted by the Quiz team Mr. Francisco Lucas, Mr. Sanjeev Chodankar and Mr. Pravin Parab under the guidance of Prof. Pradeep Morajkar, Member Secretary of GSCST and the coordination from scientific staff Mrs. Brenda Fernandes, Mr. Deepak Parab and Mrs. Madhuri Shetye and other office staff Mr. Ramesh Pednekar.

Institution Participated for preliminary round
(Team of 2 students from each school)
